TQHA STALLION PROGRAM CONDITIONS

Participation in the 2023 TQHA Stallion Program is open to owners of registered American Quarter Horse or Thoroughbred stallions for which at least one 2023 breeding has been entered within the deadlines outlined in this agreement and with the understanding that the breeding must be subsequently sold by TQHA or repurchased as provided herein. As a condition of this contract the stallion owner/donor must agree to the following:

- Only AQHA registered foals sired by stallions whose breeding are sold or repurchased as hereafter provided will be eligible to compete in the races funded by the 2023 TQHA Stallion Program. Persons wanting to breed non-Quarter Horse or Thoroughbred mares, must seek approval from the stallion owner. Resulting foals that are not AQHA registered will not be eligible to race in TQHA Sires' Cup races.
- The stallion owner may charge normal mare care charges to mare owners. **Please list applicable fees such as chute fee or farm fee under the Special Conditions Of Sale.** The TQHA is not responsible for any additional fees which are applicable to this breeding.

STALLION SERVICE AUCTION

After a stallion has been donated to the TQHA Stallion Program, services are offered for sale in an online bidding process. If a stallion stands at Private Treaty or is syndicated, an "established breeding fee" will be determined. In order for a bid to be considered, it must be at least 50% of the advertised or "established" 2023 breeding fee. If received between January 13 to March 15, 2023 the bid must be at least 50% of the advertised or "established" breeding fee (unless an established minimum has been set by the donating farm).

With the exception of breedings repurchased by donor, any breeding purchased through the 2023 TQHA Race Stallion Program must be used by purchaser, and may not be transferred or re-sold by the buyer.

OBLIGATION OF DONORS TO PURCHASE UNSOLD DONATED BREEDING

To be an eligible stallion for Sires' Cup races, the stallion owner or donor must agree to purchase such breeding from TQHA if it is not sold. To guarantee eligibility, the stallion owner will be responsible for the mandatory buy-back fee if the breeding has not sold prior to March 16, 2023. The repurchase fee for stallions standing for less than \$1,000 is \$300. For stallions standing for \$1,000 or more, the fee is \$500. Breeding must be repurchased prior to nomination deadline of the 2023 TQHA Sires' Cup races to maintain eligibility of offspring.
